

ARE YOU LOOKING FOR A LANGUAGE SERVICE PROVIDER PARTNER WITH THE FOLLOWING SKILLS?

- Reliable, tested native translators

- Advanced hardware infrastructure

- 24/7 availability

- Up-to-date software pool (MemoQ Server, Trados Studio, Transit NXT, Across, Adobe InDesign, Illustrator, QuarkXPress, etc.)

- Multiple years of translation organisation and quality control experience

- Trainer level understanding of CAT tools

- Jobs at fixed quoted prices (based on CAT scheme or as a flat rate price)

AS A MULTIPLE LANGUAGE SERVICE PROVIDER, **EDUCOMM COMMUNICATIONS**

has been supporting the activities of end-user partners and international translation agencies serving multinational companies for 15 years

Given our ideal geographic position, we work with an extensive group of professional translators and also know our translators and linguists living in the neighbouring countries in person.
